## HEAD

(Music/Lyrics: Todd Sheaffer)

all the world is lying sleeping  
everyone in bed  
me I'm still out flying  
tryin to turn on my own head

turn on my own head  
turn on my own head  
me i'm still out flying  
tryin to turn on my own head

all the world is in darkness  
every light is dead  
me i'm still out flying  
tryin to turn on my own head

turn on my own head  
turn on my own head  
me I'm still out flying  
tryin to turn on my own head

Wo-o-o-o-o

all my world is in ruin  
every dream is dead  
me I'll be out flying  
tryin to turn on my own head

turn on my own head  
turn on my own head  
me I'll be out flying  
tryin to turn on my own head

Wo-o-o-o-o

turn on my own head  
turn on my own head  
turn off my own head
