

FROM GOOD HOMES

I ONLY WANT

(Music: Todd Sheaffer, Brady Rymer, Patrick Fitzsimmons/Lyrics: Todd Sheaffer)

I only want to burn
I only want my turn

out beyond the bright ideas
out beyond the games
after all the questions passing
after all the guests announce
their names

I only want my turn
I only want to burn

out beyond the neon voices
out beyond the shame
after all the programmed choices
after all the same

I only want to burn

out beyond the bright ideas
out beyond the games
after all the questions passing
after all the guests announce
their names
