

## Way To Go, Pam

(Music/Lyrics: Todd Sheaffer)

My Friend Pam moved to New Guinea  
she used to work for an ad firm in the city  
she used to get up every morning at 6 o'clock, dress herself real pretty  
but now my friend Pam is in New Guinea

I wonder who she's sleeping with in New Guinea  
She used to be so cold when she lived in the city  
All the people at the office are talking a lot,  
they're getting nervous and childish and giddy  
because little old pam moved to New Guinea

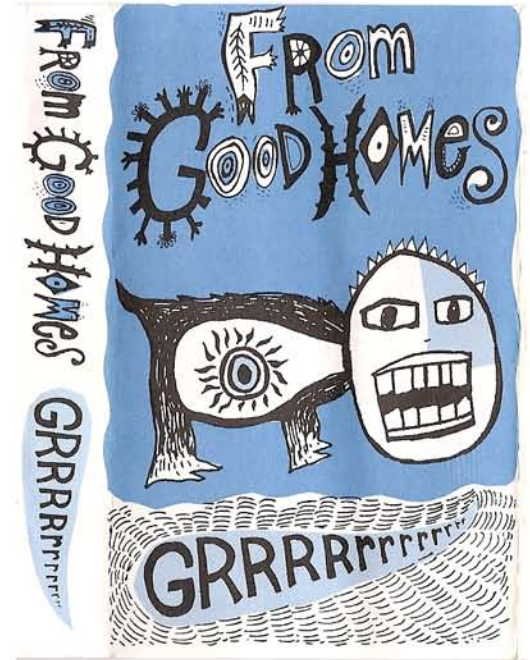

Woah, she said, fuck the corporate ladder  
Pam, they said, you're mad as a hatter  
No, she said, screw the corporate ladder

Way to go Pam, way to go Pam, you're a big inspiration to a rock and roll band  
way to go Pam  
way to go Pam  
way to go Pam

Pam's friend Bob moved to New Guinea  
He used to work for the ad firm in the city  
He used to have to wine and dine the clientele,  
say charming things and act witty but now Pam's friend Bob is in New Guinea

Woah, he said, fuck the corporate ladder  
Bob they said, you're mad as a hatter  
No, he said, screw the corporate ladder

Way to go Bob  
Way to go Bob  
Way to go Bob  
Way to go Bob  
Way to go Bob  
Way to go Pam  
Way to go Pam  
Way to go Pam  
Way to go Pam  
Way to go Pam
