

# FROM GOOD HOMES

## RAIN DANCE

(Music/Lyrics: Todd Sheaffer, Laurie Cagno)

gonna heal the trouble  
gonna heal the trouble  
yeah, it's gonna be ok

can you feel it  
can you feel it comin...?

can you feel it  
can you feel it comin...?

gonna heal our wounded  
gonna heal our wounded  
and be on our way

can you feel it  
can you feel it comin...?

can you feel it  
can you feel it comin...?

can you feel it  
can you feel it comin...?

gonna open up the sky again  
gonna open up the sky again  
and let it rain

gonna open up the sky again  
gonna open up the sky again  
and let it rain

can you feel it  
can you feel it comin...?

can you feel it  
can you feel it comin...?

can you feel it  
can you feel it comin...?

gonna open up the sky again  
gonna open up the sky again
