

FROM GOOD HOMES

CHARLIE LOVES OUR BAND

(Music/Lyrics: Todd Sheaffer)

Charlie Hogan
He's our biggest fan
We're not famous
We're not a famous band

But it's alright
He understands
It's alright
Charlie loves our band

Charlie Hogan
He's our biggest fan
We play black holes
We play taco stands
But it's alright
We understand

It's alright
Charlie loves our band
Charlie Hogan
God I love that man

There are some nights when he's the only person in the stands
But it's alright
He has plans
It's alright
We got plans

But it's alright
He understands
It's alright

Charlie loves our band
Charlie loves our band
Charlie loves our band
