

# FROM GOOD HOMES

## DECISION SONG

(Music/Lyrics: Todd Sheaffer)

on the one side of this decision  
is a dark path into a deep unknown  
on the other side of this decision  
is the old path waiting to take me home

and in the middle  
here I stand  
going nowhere

on the one side of this decision  
waits a stranger for the answer yes  
on the other side of this decision  
waits an old friend for the answer no

and in the middle  
here I stand  
answering no one

on the one side of this decision  
is the one who did what he had to do  
stepped on some toes when he walked out  
and broke some hearts  
when he told the truth  
on the other side of this decision  
is the one who stayed forever true  
to the old friend and their old love  
to the old dream and the plans they drew  
but I've a felling now  
that's the same  
as doing nothing  
it's time for movin' on  
it's time for movin' on
