

## Ballad of Todd and Tracy

(Music/Lyrics: Todd Sheaffer)

Once there was a time when I had everything  
Once I never asked for more  
I had direction, I had freedom, I had a passion in my core  
I had the mountains and the valleys  
I had the ocean and the shore  
I had everything when I had Tracy- on the floor

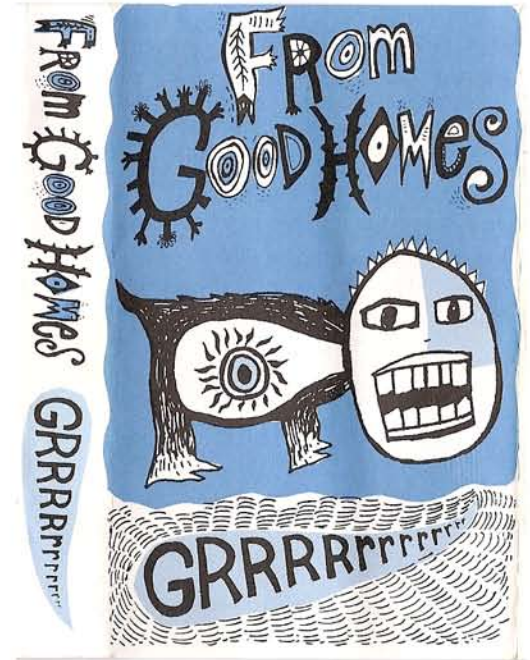

Me and Tracy on the floor- SEX  
That's all that we were living for- SEX  
I had everything when I had Tracy on the floor

We did it a lot while she was babysitting  
Of course we did in the car  
We did on the ridge past Vernon valley  
and the dirt behind the bowling alley  
We did it on the neighbor's yard  
We did it in a snowstorm  
We did it in the rain  
We did it on a rock in the lightning, it was frightening,  
I swear I'm never going there again

Me and Tracy on the floor- SEX  
That's all that we were living for- SEX  
I had everything when I had Tracy on the floor

We did it on the golf course  
While we were rolling down a hill  
Using diaphragms or rubbers, or nothing but the covers,  
we practiced and we learned our skills  
We'd do it if her parents were sleeping  
We'd do it if they walked next door  
And if her parents went away forget it,  
We'd do it in the basement, that bathroom and the living room, we'd do it on the kitchen floor,  
We'd roll into the pantry and then we'd do it more

Me and Tracy and the floor- SEX  
That's what we were living for- SEX  
I had everything when I had Tracy  
I had everything when I had Tracy  
I had everything when I had Tracy on the floor
